

THE PROS TAKE TO THE TRACK, MEYDAN GOLF

MARTIN GALLAGHER

Martin comes with 25 years experience behind him. Staying true to his mission statement “The greatest waste of human resources is the amount of people who never reach their potential” he has been driven by the desire to help everyone gain the skills to explore the best that they can be. He has worked at numerous renowned courses around the world including Portmarnock (Ireland), Sunningdale (England), Ko olina (Hawaii) and Pevero Golf Club (Italy).

Martin's coaching philosophy is based on the fact that there is no single 'right' way to swing a golf club but there are three basic fundamentals that all good players possess. The most important attribute you can bring to the course is a positive mental attitude and he looks forward to engaging with a new generation of players at The Track, Meydan Golf.
